zlatibor SERBIA

Zlatibor is one of Serbia's most beautiful mountain destinations, known for its wide golden meadows, fresh mountain air, and gentle climate year-round. Surrounded by pine forests and rolling hills, it offers a perfect balance of nature, relaxation, and modern hospitality. Whether in winter's quiet charm or summer's vibrant green landscapes, Zlatibor creates a setting that feels both energizing and serene.

Zlatibor SERBIA

Stay and Accomodation

Accommodation on Zlatibor is organized through carefully selected hotels categorized as Gold, Silver, and Bronze, tailored to different comfort levels and participant needs. Each venue offers a high standard of comfort, service, and convenience, providing ideal conditions for rest, preparation, and networking during the World Futsal Business Championship 2026.

TRK Zlatibor

Tornik Hotel

Hotel Tornik is a luxurious 5-star hotel on Zlatibor, located at 1,010 meters above sea level, where mountain air and modern comfort meet. Designed for guests who value premium service and refined relaxation, it offers an exceptional stay experience in one of Serbia's most attractive mountain destinations. For championship participants, Hotel Tornik combines top-level accommodation with the calm and quality needed for full preparation and recovery.

*A signature choice for those
who expect nothing less
than excellence.*

Zlatibor

Zlatibor Hotel

Hotel Zlatibor offers elegant accommodation with four room and suite categories, each designed to provide comfort, style, and a sense of individuality. Overlooking the center of Zlatibor, the hotel combines fresh mountain air, contemporary design, and a variety of stay options suited to different preferences. For World Championship participants, it offers a balanced stay in the heart of the destination, with a strong focus on comfort and quality.

Where style, comfort, and location come together seamlessly.

Zlatibor

Mona Plaza

Located in the very heart of Zlatibor, Mona Plaza is surrounded by pine trees and only a short walk from the lake and promenade. The hotel offers 120 accommodation units, including Comfort, Standard, and Superior rooms, as well as Mona and Classic suites. With parking, a garage, and excellent access to the main attractions, it provides a practical and comfortable stay for championship guests.

*A perfect blend of central
location and reliable comfort.*

Zlatibor

Vila Borova

Vila Borova Wellness & Spa Resort is an exclusive apartment complex located in the center of Zlatibor, offering a refined atmosphere and high level of comfort. Its design, content, and service create a premium experience for guests traveling for leisure or business. For World Championship participants, Vila Borova offers a peaceful and stylish stay in one of Zlatibor's most attractive locations.

*An elegant retreat designed
for complete relaxation
and balance.*

Zlatibor

TRK Zlatibor

TRK Zlatibor offers comfortable and functional accommodation with a total of 36 units, including single, double, triple, and studio rooms, as well as a spacious presidential apartment. All units are equipped with modern amenities, while studios and suites also include small kitchens and dining areas. With its practical setup and solid comfort, TRK Zlatibor is a convenient option for guests attending the championship.

*Smart, efficient, and well-suited
for an active stay on Zlatibor.*

SERBIA

Gold Gondola

Longest Gondola in the World

The Zlatibor Gold Gondola Lift, the longest such panoramic lift in the world, is a new tourist attraction. At nine kilometers long, this state-of-the-art air route will connect the center of Zlatibor with the ski center of Tornik, via Lake Ribničko, where a stopover station will be located. The gondola lift will transport 1,200 passengers every hour and the journey will take about 25 minutes. The Zlatibor Gold Gondola Lift, at nine kilometers long, holds the record for the longest gondola lift in the world.
